

Nelgar Composite Teflon Packing
1 ¼" RK7883-007B
1 ½" RK7883-008B
Specification Data Sheet – August 25, 2005

Section I – Product Identification

Code No.	1 ¼" RK7883-007B	1 ½" RK7883-008B
Product	Natural Rubber, Graphite, Nylon Braided Teflon	
Trade Name	Stuffing Box Packing	

Section II – Hazardous Ingredients

Non – Hazardous	Non-hazardous
-----------------	---------------

Section III – Physical Properties

Appearance	Round Ring
Size	2 ¼" X 1 ½" Also available in various other sizes
Color	Black
Weight	8/10 pound per ring
Thickness	5/8"
Melting point	N/A
Boiling Point	N/A

Section IV – Reactivity Data

Tensile Strength	Unknown
Temperature Rating	Up to 150° F
Operating Temperature	150° F and below, will start to break down if temp exceeds 150° F
Chemical	Good
Memory	Good
Decomposition	Unknown
Compatibility	No known incompatibilities
